LETTER OF COMPLIANCE
For
ADMINISTRATIVE FINE
No. AF 2000-066

Mr. Ulaky:

The Department of Environmental Services, Water Division Wastewater Engineering Bureau (DES) reviewed the actions taken by Canobie Lake Realty Corporation ("CLRC") in response to Administrative Fine No. AF 2000-066 (AF). DES determined that the issues addressed in the AF were resolved in a manner consistent with the Water Division regulations and related requirements, and that no further action is necessary. Therefore, DES hereby issues this Letter of Compliance.

DES highly recommends that CLRC maintain operation and maintenance (O&M) logs as supporting documentation of the preventative maintenance sewer and pump station implementation plan.

Please be advised that DES will continue to monitor CLRC's compliance status, and that this letter does not provide relief against any existing or future violations.

If you have any questions regarding this matter, please contact me at (603) 271-3307 or Thomas J. Croteau at (603) 271-2985, respectively. Thank you for your cooperation.

Sincerely,

Sharon L. Ducharme
